Executive Director

NOTE FOR: EA/ADDI

FROM: EA/ExDir

Ed:

The PFIAB task force reviewing Soviet political assessments has asked to review papers prepared on Soviet leadership succession for the period 1978-1984 and for representative papers prepared over the last 9 months by SOVA's Policy Analysis Division on Soviet internal and foreign policies. I passed this request on to [redacted] and he said he would get the papers together.
